# Pork & Gammon

*If there's one time of year in particular which make you think of gammon, and succulent cuts of ham, it has got to be Christmas."*

The tradition of serving a Christmas ham or festive gammon joint dates back hundreds of years. As pork is such a versatile meat, gammon and ham can be paired with a number of delicious flavours, sweet, tangy or salty, and serves as the perfect complement to the traditional turkey and other favourite festive side dishes.

Majority of our pork comes from our partner [Dingle Dell Pork](#), who produce superb, higher marbled welfare-friendly pork with provenance outdoors from the unique Red Duroc-based herd. This means excellent quality fresh meat and perfect pork meals. Think about all festive roasts, succulent pulled pork and gloriously sticky ribs.
