OUR SERVICES

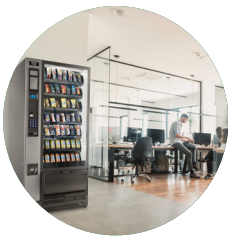

Coffee Systems

Show your team how much you value them by treating them to the top automatic coffee machines, from expert manufacturers plus premium coffee beans and tea products. Provide barista-quality coffee in your own office so that your staff can take a moment to refuel before getting back to work. We have machines suitable for boardrooms all the way up to solutions for multi-floor office buildings.

Water Systems

Stay hydrated with our range of water solutions to suit every work environment. From ultra-hygienic bottled coolers, to ultra-stylish plumbed in taps and coolers, with boiling & sparkling options. Fox can source, install, and maintain your water systems.

Vending & Engineering

Our vending machine options are the best that money can buy, combining the latest trends and technology on the market with options to suit any location. Plus, Fox has an in-house Engineering Department who can maintain and repair your machine whenever you need.

Janitorial

We know that keeping your office clean and tidy is of paramount importance. Whatever the janitorial needs your office may have, we can help with. From dispensers for your bathrooms, bin liners, to cleaning chemicals and other essentials, Fox is your one-stop shop.

Crockery & Glassware

We partner with industry leaders like Genware & Steelite so we can offer extremely tasteful crockery and glassware at great prices. Whether you need to refresh your kitchen items, or upgrade the glassware for your boardroom, we've got you covered.

Soft Drinks & Snacks

As one of the biggest importers in the Channel Islands, we provide a great selection of snacks and drinks. Keep your team refreshed and motivated all year round with our seasonal bundles at exclusive prices for Fox customers.

Globally Sourced - Locally Supplied

We take care of your work environment needs so you and your team can focus on what you do best: running and growing a local business.
