

JJ Fox Guernsey Limited are delighted that the 2023 Island Games is being held in our beautiful bailiwick this July. However, some events will result in roads being closed at times, and making deliveries will be more difficult or impossible. Please bear with us while we work around the closures, the main ones being:

Monday 10th July

The west coast from Puffin and Oyster to the Imperial and L'Eree hill.

Please assume that no deliveries will be made to this area on this day and ensure any orders are pulled forward to avoid this date.

Wednesday 12th July

L'Eree to the Imperial and Mallard as per the map.

Please assume that no deliveries will be made to this area on this day and ensure any orders are pulled forward to avoid this date.

Friday 14th July

Town and harbours.

Please assume that no deliveries will be made to this area - including inter-island boats - on this day and ensure any orders are pulled forward to avoid this date.

Thank you for your understanding and for adjusting your ordering to consider these restrictions.
