ROSSO

A careful selection of Arabica and Robusta beans predominately from South America. The skilful mix of this coffee gives this blend an unmistakable creamy texture and aroma with a smooth, bold and slight chocolate taste. This full-bodied coffee will give you a taste of the romantic Italian cafes of Modena, with a superb thick and rich crema that is bold, slightly smoky and will cut through milk and water with ease.

PLATINO

This blend is dedicated for espresso lovers. A rich medium to full body coffee with a velvety crema and a natural sweetness. This south American blend of Arabica and a small amount of Robusta produces a beautiful cup which is smooth & sweet yet rich with a pleasant spiciness.

201 BLEND

A blend of Brazilian, Colombian and other central American Arabica beans, twinned with both Indian and Vietnamese Robusta beans. As an espresso, it gives you a full bodied, smoky, slightly spicy & caramelised shot that partners with milk so well. It also produces a fantastic thick and aromatic crema that sits impressively on top of an Americano and makes great filter coffee as well.

LINCOLN & YORK

1916 BLEND - 500G

Blend of 80% Arabica and 20% Robusta beans.

The coffees in this blend are sourced from Brazil, Central America, and India. Whilst the Arabica coffees bring sweetness and complexity, naturally processed Robusta is added to give body, and allows the coffee to cut through heavy milk-based drinks.

Roasted dark, this blend is heavy bodied, with cocoa like sweetness and cinder toffee in the finish.

SPECIALITY TEA

BIRCHALL

A FAMILY TRADITION SINCE 1872

HIGHEST QUALITY

BIRCHALL's rich heritage and passion for creating perfect blends is reflected in the award-winning collection of teas and infusions. Through five generations of the family, starting with Birchall Graham, the pursuit for perfection continues to be the mantra lived by today.

PASSION AND TRADITION

The origins started in 1872 when Birchall George Graham planted his first tea in Darjeeling and subsequently continued in the tea trade, successfully developing the business and acquiring the knowledge and expertise to create the finest teas in the world.

KNOWLEDGE & EXPERTISE

We are confident that every single cup of Birchall tea is absolutely perfect every time.

Birchall's signature black teas are all sourced exclusively from estates across East Africa, from Rwanda through to the Great Rift Valley in Kenya, where the very best teas are to be found.

Birchall teas are always 100% pure main grade black leaf tea which means no powder, dust or stalk is added. To achieve this, Birchall only select teas from estates that achieve the highest of picking standards. Their skilled farmers pick only the soft leaves and the bud each time

SPECIALTY HERBAL AND INFUSION RANGE

Birchall passion for teas unrivalled tea blending expertise is also reflected in the speciality Infusions range.

Each one is packed full of flavour and intense aromas to revitalise the taste buds.

PERFECT TASTE AND FLAVOUR

From classics such as Camomile and Peppermint, through to new favourites Lemongrass & Ginger and Redbush, the Birchall collection includes a tisane to suit every serving occasion and taste. The teas have been given a lot of love, care and attention over the generations for you to appreciate the tea with a guaranteed perfect taste every time.

TEA AND THE GANG

PREMIUM TEA WITH PERSONALITY

Made from 100% premium whole leaf tea, sourced from the best estates around the world, TEA AND THE GANG'S blends offer only the finest ingredients, resulting in that full, exotic, smooth and aromatic cup of tea you've got in your hands right now. Influenced by Scandinavian design, this is a tea brand that shouldn't be locked away in your cupboard. Each blend has a unique design and character to match your mood, or personality on any given time.

HIGH QUALITY INGREDIENTS

All of Tea and the Gang teas are made from 100% premium whole leaf tea sourced from the best tea estates around the world, hand blended in the UK.

To minimise any negative effect on environment and local community Tea and the Gang only purchase their teas through an approved supplier. Estates who produce the best quality at the higher prices will constantly be able to reinvest back into the fields, factory and people.

The plastic-free biodegradable tea bags are made from a cornstarch material and for the print on tags, Tea and the Gang use vegetable inks. Everything is then cut, stuck and shaped by intelligent lasers.

UNIQUE CHARACTER AND FLAVOUR

Each tea has a unique character and flavour your mood or personality, with several blends winning Great taste 2019 awards. All tea blends are incredibly smooth using only the finest ingredients offering you the best possible cup of tea.

SIGNATURE LATTE RANGE

The delicious and colourful powder drink is made from natural ingredients, with no added sugar. It is best to sweeten to taste or always add a little more powder to bring out more colour and add a stronger flavour. Choose from variety of yummy flavours such as: beetroot and orange, butterscotch tumeric, lavender and apple, mint blue and much more..
