MISSION GREEN

AS GREEN AS THE FOREST.

Tasty and delicious ice cream created in a sustainable way. Through innovative and eco-conscious practices we have lowered our carbon footprint to help our planet.

We have **100% LED lighting** meaning our energy consumption is low & energy efficient.

10 of our vehicles are fitted with Euro 6 engines, to reduce pollution.

We have a **fully electric car** to reduce our sales manager's carbon footprint. Complying with new low emission zone requirements.

We have **solar panels** on our roof & solar thermal panels on our building.

All of our **cardboard** gets recycled.

We **recycle heat** from our refrigeration system to heat water for the factory.

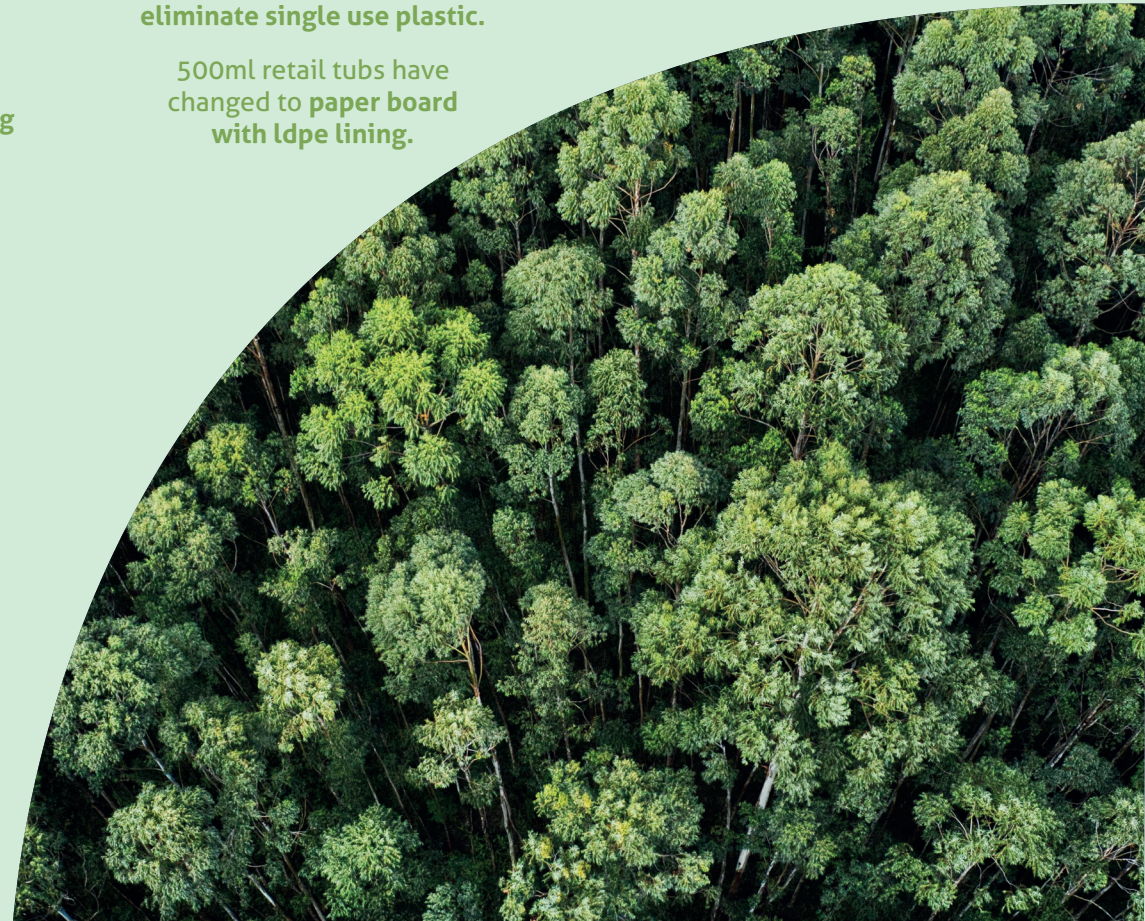

Our solar panels have saved **71,000kg of CO2 emissions**, equivalent to **4268 trees** being planted.

Sustainable wooden spoons are in our 120ml tubs, to eliminate single use plastic.

500ml retail tubs have changed to **paper board** with ldppe lining.

We support the **New Forest Trust** to aid with their projects. They raise funds for **conservation and education projects**.

Introducing New Forest Ice Cream

A family run business, established right on the edge of the New Forest in 1983. We pasteurise, fill and freeze our award winning ice cream and sorbet in our purpose built, state of the art creamery.

The second generation, together with their fabulous team, is committed to creating the highest quality ice cream and sorbet using the finest ingredients, alongside impeccable customer service.

500ml Take Home Tubs Allergen Info

Impulse Range & Allergen Info

Our impulse range is manufactured for us by carefully sourced and selected family run companies who share the same ethos in producing quality products as we do not have the facilities at our site to manufacture these; therefore the allergen information will differ from our own.

We are a nut & egg free production facility

Our manufacturing facility which produces our scoop, 120ml, 500ml & sorbet in Lymington, is a completely nut & egg free environment. We have even placed a nut ban in our offices. However Yule Log is not Egg Free and is made separately.

Suitable for vegetarians

Our products are made with vegetarian and vegan ingredients making them suitable for these dietary requirements. S'mores is not suitable for vegetarians or vegans.

Gluten free statement

Gluten free products manufactured by New Forest Ice Cream are independently tested to ensure that they are free from gluten.

Vegan ice cream statement

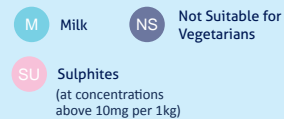

As animal products are used & present in our factory (milk & cream), we have had independent testing to confirm the products stated as vegan, are indeed suitable for vegan dietary requirements.

Our customers and their kitchens handle numerous food and drinks containing allergens. Whilst we make every effort to ensure that your food is suitable for you, unfortunately it is not possible for us to guarantee that our product will be 100% free from allergens or contamination free. If asked we are happy to offer advice and guidance on any of the above.
