PREMIUM BEEF RANGE

Our premium beef is matured in temperature-controlled dry-aging rooms with high ceilings that encourage excellent air circulation, creating the ideal conditions for aging on the bone.

Carefully sourced from selected breeds and raised with care, each cut is aged for a minimum of 21 days to deliver exceptional tenderness and rich depth of flavour.

The tradition of serving ham or gammon at Christmas goes back hundreds of years - and with so many options to choose from, you can create festive dishes to suit every taste and style.

Much of our pork comes from our trusted partner, Dingley Dell. Their outdoor-reared Red Duroc herd produces beautifully marbled meat with superb quality and welfare at its core.

From pulled pork and roasts to sticky ribs, the results are consistently delicious.

We source a wide range of wholesale pork, gammon, lamb, hogget and mutton from within the UK and across the globe.
