BARWARE

The DPS barware range offers the essential products required to shake, stir, muddle, serve and pour cocktails, as well as the classic drinks, served in any hospitality environment. Whether that's a CE marked single shot measure, to our accurate bar tender assured pour spouts we call "Perfect Pour". We offer the full range experience that every bar needs or requires.

SHAKERS

Every situation to shake a cocktail is covered here, whether it's a busy environment requiring speed of service, our tin on tins suit the job perfectly, or a craft cocktail that commands limited dilution suited only for our cobbler shakers. Our offering will give you options for your every need.

THIMBLE MEASURES

Thimble measures, or Transfer measures as they are officially called by law are CE marked to comply with the weights and measures act. In short, serving a "shot" of the prescribed spirits (Whiskey, Gin, Vodka, Rum) should be used in conjunction with a thimble measure (or other Government stamped device).

The UK law states that this should be served in either 25ml or 35ml or a double thereof.

Wine Measures exist as 125ml (small) 175ml (medium) and 250ml (large).
