Being Made in Britain means we're right where you need us – fast, reliable, and rooted in quality. It's about supporting local employment, reducing our carbon footprint, and staying responsive to your needs. With Poppies' skilled UK manufacturing and Duni's international expertise, we deliver practical solutions designed for convenience, to meet the demands of modern hospitality.

Confused about our colours?

As Poppies joins forces with Duni, we're updating our tissue colours to match Duni's palette. This means some of the colours you know and love will get a new name - and in a few cases, a slight tweak in shade or will be phased out. To make it easy, we've created a simple table showing which colours are affected along with the description we'll use from 2026.

LABELS THAT MATTER

When browsing our assortment, keep an eye out for different environmental and quality certifications. Other certifications also shed light on how to dispose the product in a responsible way after use.

MADE IN BRITAIN®
Signifies that our products are manufactured in the UK, ensuring quality, reliability, and local supply while supporting jobs and reducing environmental impact.

OK COMPOST HOME
OK compost HOME, from the certification body TÜV Austria, ensures that the product can be put on a compost heap in a garden at your home and meets the European standard EN 13432. Our products with the OK compost HOME label also meet the criteria for OK compost INDUSTRIAL – difference being that the industrial composting process requires significantly higher temperatures.

THE FOREST STEWARDSHIP COUNCIL® (FSC®)
Look for our FSC®-certified products.
The FSC® logo is your assurance that the wood and paper in these products is sourced from forests managed responsibly and ethically, along with other verified sources.

NORDIC SWAN ECOLABEL
Identifies the best products on the market from an environmental point of view. For instance, it confirms our stearin candles consist of 90% renewable materials and minimise soot emissions.

THE RAL QUALITY MARK
Awarded by the European Quality Association for Candles. It guarantees the candle burns cleanly, contains no hazardous materials, retains its shape and is safe and reliable.

ECOVADIS 2025
Duni Group has once again been awarded the EcoVadis gold medal, with an increased score from 77 to 79, remaining in the top 3% of businesses in the paper- and paperboard industry worldwide. EcoVadis is an independent platform for evaluating companies' sustainability performance.
