DIPS N' SIDES

Designed to bring greater flexibility to food presentation, our Dips n' Sides collection offers a versatile selection of serving pieces perfect for European, tapas and meze-inspired cuisines. Available in five distinctive colourways; each colour has been carefully selected to complement tableware collections across our wider portfolio.

The collection is finished with a reactive glaze, meaning subtle variations in colour, tone and pattern may occur from piece to piece. These natural differences are created during the firing process and ensures each item has a unique finish.

All Dips n Sides are microwave and dishwasher safe.
